## March Newsletter

The ACBDD would like to remind everyone that March is “Developmental Disabilities Awareness Month”. The Athens County Board of Developmental Disabilities is hosting its annual “**Disabilities Awareness Festival**” on **Tuesday, March 21, 2017 from 6:00 to 8:30PM at the Athens Community Center**. Our purpose is to promote the capabilities of individuals with disabilities in our community. This year’s theme “Always There” references the fact that this year is the 50th Anniversary of the county board system in Ohio. This event is free and open to the public.

Athens County Commissioners Charlie Atkins, Lenny Eliason and Chris Chmiel as well as Athens Mayor Steve Patterson read Proclamations declaring March as "Developmental Disabilities Awareness Month"
